

Bitcoin

7 TPS

A horizontal bar chart comparing the transaction rates of four entities. The bars are arranged vertically. Bitcoin has a rate of 7 TPS, represented by a very short dark blue bar. Western Union has a rate of 30 TPS, represented by a light blue bar. PayPal has a rate of 130 TPS, represented by a dark blue bar. VISA has a rate of 2,000 TPS, represented by a long light blue bar. Each bar is followed by a light gray extension to the right, indicating the relative scale of the rates.

Entity	Transaction Rate (TPS)
Bitcoin	7
Western Union	30
PayPal	130
VISA	2,000

Western Union

30 TPS

PayPal

130 TPS

VISA

2,000 TPS
